Introduction

Carbon Valley Parks and Recreation District (“CVPRD” or “District”) is requesting proposals for Dacono BMX Track Operations. Each bid will be examined promptly after opening, and the results will be announced to all participants.

General Requirements and Information

For a vendor to be considered, the District must receive one original and five copies of the proposal or submit one electronic copy (PDF is preferred) to kolson@cvprd.com by 5:00pm (Mountain Time) on Thursday, December 23, 2021 at the following address:

Submittal Address:
Carbon Valley Parks & Recreation District
701 Fifth Street
Frederick, CO 80530

Scope of Work and Process Questions:
Kelly Olson
Programs Manager
Email: kolson@cvprd.com

All proposals must be submitted in a sealed package and clearly marked: “Dacono BMX Track Operations.” Vendor’s name and address should be clearly marked on the outside of the envelope.

Proposals will not be accepted after the date and time stated above.

There is no express or implied obligation for the District to reimburse responding vendor for any expenses incurred in preparing proposals in response to this request.

Evaluation of Proposal

Proposals will be examined for compliance with all requirements specified in this RFP and those that do not comply will be subject to disqualification without further consideration. In evaluating the proposals and selecting the successful vendor/business, the District will consider the vendor’s/business’s qualifications and experience, as well as cost. While pricing is important, it should be noted that the lowest cost proposal is not a guarantee of selection for services. Evaluation of the proposals will consider specialized experience and technical competence, references, size, structure and location and ability to meet the District’s requirements.

Final Selection

On or before January 11, 2022

District Background

CVPRD is a Colorado special district, established in 1983 covering roughly 45 square miles, including the communities of Frederick, Firestone, Dacono, and rural areas that surround the Tri-Towns in Colorado. Through the management of four facilities, the District offers new as well as traditional programming. The main recreation facility is a 50,000 square foot center that hosts a 25-yard, six lane lap pool, an activity pool with amenities such as logs, lazy river, 18-foot slide, and a kid's splash pool. The aquatics section also offers a steam room and a hot tub for guests. Outside of the pool area the facility houses a dance studio, two gymnasiums, cardio room, fitness studios, a state-of-the-art weight room, a childcare facility, and public meetings spaces. The second facility is across the street and houses the District's Gymnastics Center and Senior Center. The third facility in Firestone houses a fitness/dance studio and administration space. The fourth facility is The Cove at Barefoot Lakes that the District manages the operations of. The Carbon Valley Parks and Recreation District strives to increase and enhance recreational opportunities by providing a variety of quality programs and activities for the residents of Frederick, Firestone, Dacono, and surrounding communities.

Scope of Work
