

COVID-19 Guidelines and Expectations

<https://covid19.colorado.gov/safer-at-home/recreation>

Game Day Procedures have been determined by Local Health Agencies, Colorado Soccer Association, and St. Vrain FC.

Game Day Precautions

- Additional spacing between fields to allow for social distancing - field complexes will contain fewer fields this season
- Game times will be staggered to reduce the amount of traffic to and from fields at any given time
- Painted spectator boxes so families can social distance during games
- No team benches for U6-U8 teams
- Opposing teams will sit on opposite sides of the field
- Players will be asked to sit with their families when not playing
- Coaches will have a box at midfield
- Hand sanitizing stations will be at all field locations, and families are encouraged to bring their own as well
- Players will sanitize before entering the game and again when leaving the field
- No throw ins or sharing of goalkeeper gloves - kick-ins for all restarts
- Spectators **must wear a face mask at all times**. Players are not required to wear masks while on field during games, though they may choose to play with a mask. Players should wear masks when moving to and from fields, and not playing in the game.

All safety protocols may be adjusted in accordance with changing health guidelines.

Practice Precautions

- Team training curriculum will be adjusted to provide more social distancing activities & minimize contact
- Players should bring their own ball to practice
- Coaches will set up socially distanced cones for each player to have their own space for their soccer gear and water breaks
- Coaches will be given sanitizing wipes and hand sanitizer
- Spectators **must wear a face mask at all times**. All Players should where masks when moving to and from fields, and not playing in the game.

All safety protocols may be adjusted in accordance with changing health guidelines.
